January 2026

From Commander Gerald Donnelly

Greetings Comrades:

I hope everyone had a nice Christmas and a Happy New Year. I would like to thank everyone for a great 2025 year. I have a tremendous group of people to work with and the Post is in the best shape that it has ever been. We have completed all of our required programs and we will be honoring our Voice of Democracy, Patriot Pen and Teacher of the Year winners on January 14th starting at 6PM.

Once again our children's breakfast with Santa was a huge success. The food was plentiful and tasty with lots of gifts for all the children. Thanks again to all the volunteers that assisted with the food prep and serving. Also, a special thanks to Santa for taking time out of a very busy schedule and to the Auxiliary for sponsoring this event.

We had a very good turnout for bartender appreciation night on December 19th. Some of the volunteer bartenders need some remedial training, but fun was had by all.

It is always time to be working on membership and everyone is a recruiter. So get out there and help find some new members for the Post and the Auxiliary.

Looking forward to a great 2026,
Gerald Donnelly

THE PERSIAN GULF WAR OCCURRED 35 YEARS AGO

This January marks the 35th anniversary of the beginning of the Persian Gulf War. The VFW offers its appreciation to the nearly 700,000 military men and women who served in Operation Desert Shield and Desert Storm,

The Gulf War was an armed conflict between Iraq and a 42-country coalition led by the United States. The coalition's efforts against Iraq were carried out in two key phases: Operation Desert Shield, which marked the military buildup from August 1990 to January 1991; and Operation Desert Storm, which began with the aerial bombing campaign against Iraq on 17 January and ended with the American-led liberation of Kuwait on 28 February.

On 2 August 1990, Iraq, governed by Saddam Hussein, invaded neighboring Kuwait and occupied the country within two days. The invasion was primarily over Kuwait's alleged slant drilling in Iraq's Rumaila oil field, and Iraq's large debt to Kuwait from the recently ended Iran–Iraq War.

The invasion of Kuwait was met with immediate international condemnation. The UN Security Council adopted Resolution 660, demanding Iraq's immediate withdrawal from Kuwait, and Resolution 661, imposing a total embargo on products from Iraq and Kuwait. British prime minister Margaret Thatcher and US president George H. W. Bush deployed troops and equipment into Saudi Arabia and the coalition became the largest military alliance since World War II. The bulk of military power was from the US, with Saudi Arabia, the United Kingdom, and Egypt as the largest following contributors.

Resolution 678, adopted on 29 November 1990, gave Iraq an ultimatum, expiring on 15 January 1991, to withdraw from Kuwait, with member-states empowered to use "all necessary means" to force Iraq's compliance. On 17 January, the coalition began aerial and naval bombardment of Iraq and Kuwait, which continued for five weeks. Iraqi missile barrages against coalition targets in Saudi Arabia were unsuccessful, and on 24 February 1991, the coalition launched a decisive ground assault liberating Kuwait and promptly advancing into Iraqi territory. The coalition halted its ground advance after one hundred hours, and declared a ceasefire.
